FOR IMMEDIATE RELEASE: May 8/08

## SUN AND SAHO TO CONTINUE BARGAINING

<<REGINA>> Today, through the conciliator, SUN received a message from SAHO indicating they have a revised mandate and are asking SUN to return to the bargaining table. It is our understanding that SAHO will also remove most of their proposals when we return to the table. SUN will not undertake strike action as we permit negotiations to occur.

SUN's Bargaining Committee has cleared its schedule to resume talks with SAHO. Negotiations will begin Monday, May 12, 2008. Time and location yet to be determined.
