### Regina Pensions Forum

<<Regina>> Did you know eight million Canadian workers have no pension or RRSP savings?

If you'd like an opportunity to learn more about pensions, you're invited to attend the Pensions Forum, being held in Regina on Tuesday, March 16, 2010 at 7:30 p.m. in the Lombardy Room at the Delta Regina (1919 Saskatchewan Drive).

During this forum, you will gain a better understanding of why the retirement savings of countless workers have been put at risk and what can be done to create a pension system where no one is left behind.

Admission is free and members of the public are welcome. For information, please contact Darla Leard at (306)525-6137 or email at [dleard@clc-ctc.ca](mailto:dleard@clc-ctc.ca)

The Regina Pensions Forum is a joint initiative of the Saskatchewan Union of Nurses, Regina District Labour Council, Canadian Labour Congress, and the Public Alliance of Canada.
